Tomorrow Belongs to Us
The Clinical Nurse Specialist Conquering Change in the Health Care Environment

NACNS 2017 ANNUAL CONFERENCE
REGISTRATION BROCHURE

MARCH 9–11, 2017
LOEWS ATLANTA HOTEL
ATLANTA, GA

www.nacns.org
Please Join Us
The National Association of Clinical Nurse Specialists (NACNS) invites you to participate in the 2017 Annual Conference, Tomorrow Belongs to Us: The Clinical Nurse Specialist Conquering Change in the Healthcare Environment which will be held March 9-11, 2016 at the Loews Atlanta Hotel in Atlanta, GA. The 2017 Annual Conference will provide you with a wide variety of research, educational and networking opportunities.

WHO SHOULD ATTEND
NACNS members, clinical nurse specialists, faculty, and graduate students in doctoral and master’s programs.

Schedule Highlights

WEDNESDAY, MARCH 8, 2017
Pharmacology Pre-Conference Workshop
8:00am – 11:30am
First Speaker TBD

Jasmine Jones, PharmD, CGP, WellStar-Kennestone Hospital & Donna Hunter, MS, RN-BC, ACNS-BC, ANP-BC, WellStar Health System

1:00pm – 4:30pm
Andrea Sikora Newsome, PharmD, BCPS, BCCP, Augusta University Carolyn Clevenger, PharmD, Emory University

THURSDAY MARCH 9, 2017
Opening Keynote Address
9:30am – 10:30am
"Know It, Drive It, Own It: Healthcare’s Change Agent Now and In the Future"
Kathleen M. Vollman, MSN, RN, CCNS, FCCM, FAAN
Advancing Nursing LLC

FRIDAY MARCH 10, 2017
General Session Speaker
9:30am – 10:30am
"Changing Outcomes One Chest Pain at a Time"
Barbara McLean, MN, RN, CCRN, CCNS-NP, FCCM
Grady Health System

SATURDAY MARCH 11, 2017
Closing General Session
11:00am – 12:00pm
"Silence: A Never Event"
Michael H. Ackerman, DNS, RN, APRN-BC, FCCM, FNAP, FAANP
Ackerman Consulting

ADDITIONAL HIGHLIGHTS
• Scientific series of peer reviewed podium, poster and symposium presentations
• Awards for peer-reviewed poster presentations by students
• Annual NACNS Award presentations
• Opportunities to network with colleagues and vendors in the Exhibit Hall

Continuing Education: This activity has been submitted to Pennsylvania State Nurses Association for approval to award contact hours. Pennsylvania State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

In an ongoing effort to conserve the resources of the association and our planet, the complete NACNS 2017 Conference Schedule will only be available in PDF format. Please visit www.nacns.org for complete program and session information.
Wednesday, March 8, 2017

7:00am – 6:00pm
Registration

8:00am – 11:30am
Pharmacology
Pre-Conference Session

First Speaker TBD

Evidence-Based Management of Uncomplicated Sickle Cell Disease Vaso-Occlusive Crisis
Jasmine Jones, PharmD, CGP, WellStar-Kennestone Hospital & Donna Hunter, MS, RN-BC, ACNS-BC, ANP-BC, WellStar Health System

Evidence-Based Management of Uncomplicated Sickle Cell Disease Vaso-Occlusive Crisis
Jasmine Jones, PharmD, CGP, WellStar-Kennestone Hospital & Donna Hunter, MS, RN-BC, ACNS-BC, ANP-BC, WellStar Health System

11:45am – 12:45pm
Pre-Conference Luncheon

1:00pm – 4:30pm
Pharmacology
Pre-Conference Session

Opiate Sparing Techniques in the Critically Ill
Andrea Sikora Newsome, PharmD, BCPS, BCCP, Augusta University

Better Prescribing (or at least Less Bad) for Older Adults
Carolyn Clevenger, PharmD, Emory University

Thursday, March 9, 2017

7:00am – 7:00pm
Registration

7:30am – 8:30am
Student Breakfast with the NACNS President

8:30am – 9:30am
Welcome Remarks, President’s Address & Awards

9:30am – 10:30am
Opening Keynote Speaker

10:30am – 11:00am
AM Break

Concurrent Session A | 11:00am – 12:15pm

A1 – Clinical Management Lecture
Applying Lean Management Principles to the Creation of Postpartum Hemorrhage Care Bundles
Bethan Faulkner¹ & Susan Crowe²
¹Stanford Children’s Health Lucille Packard Children’s Hospital Stanford; ²Stanford School of Medicine

A2 – Symposium
Alcohol Withdrawal Assessment & Management: Conquering Change Across a Health Care System
Alyson Keen¹, Vince Holly², Carmen Davis¹, Jean Balaguras² & Lauren Compton³
¹IU Health-University Hospital; ²IU Health-Bloomington Hospital; ³IU Health-Methodist Hospital

A3 – Patient Safety
UMove: Implementing an Evidence Based, System Wide, Inter-Professional, Progressive Mobility Standard
Raquel Branom¹, Charlene Earnhardt¹, Mary Lawanson-Nichols², Grace Sund³ & Yuhgan Kao⁴
¹Ronald Reagan UCLA Medical Center; ²UCLA Health System, Santa Monica; ³UCLA Medical Center, Santa Monica; ⁴UCLA Healthcare

E-News to Prevent Hospital Acquired Infection
Theresa Morrison
NCH Healthcare System

24/7 Unit Based Safe Patient Handling and Mobility Specialists
Andreas Kraft, Victoria Pangilinan & Myrna Young
Robert Wood Johnson University Hospital

A4 – CNS Role
Pioneer or Lone Ranger: What To Do When You’re the First or One and Only CNS in Town
Christina Canfield & Catherine Skowronsky
Cleveland Clinic

Advancing the Role of the CNS- Global Collaboration Through the Navy CNS Advisory Board
Jesus Crespo-Diaz, Mary Parker, Chris Jack & Monica Knapp
U.S. Navy Nurse Corps

Inspiring Change: Thriving…Not Just Surviving a Hospital Merger!
Sandia Royal, Georgia Harrison, Natalie Jones, Ester Caballero & Linda Tamburri
Robert Wood Johnson University Hospital
Program Schedule – Subject to Change

A5 – Fall Prevention
Two Sides to Every Fall: The Patient and the Nurse Perspective on the Fall
Linda Hoke
Hospital of the University of Pennsylvania

Implementation of a Tele Sitter Program: A CNS/CNE Led Initiative
Erin Glospie & Cynthia Russo
Robert Wood Johnson University Hospital Hamilton

A6 – Research for CNS
Cultivating an Immersion Experience of Clinical Inquiry That Facilitates Practice Change
Lois Stallings Welden
Deaconess Hospital, Inc.

Silos to Superstars, Successful Advancement of the Clinical Practice Innovations Council (CPIC)
Julia Ann Knight & Cindy Ruiz
Northwest Community Hospital

A New Role for the Clinical Nurse Specialist: Research on Patient Navigators
Larissa Teng¹, Lucia Vanta¹, Laurie Goldsmith² & Mona Sawhney³
¹North York General Hospital; ²Simon Fraser University; ³Queens University

A7 – Pulmonary Conditions
CNS’s, Are You Addressing the New #1 HAI in Your Hospital? Pneumonia NOT Related to a Ventilator
Barbara Quinn
Sutter Health

A CNS Initiative to Identify Patients at Risk for Aspiration Pneumonia and Implement Strategies to Decrease the Overall Rate
Beth Cipra & Shelley Kaplan
Frederick Memorial Hospital

Preventing Tracheostomy-Related Hospital-Acquired Pressure Injuries (HAPIs): A CNS-led Quality Improvement Project
Patricia Kiefer & Carole Fuseck
Louis Stokes Cleveland VA Medical Center

12:15pm – 1:45pm  Exhibit Hall Opening & Lunch
12:30pm – 1:30pm  New Member & 1st Time Attendee Orientation/Luncheon

First time attendees and new members are invited to join us for lunch, door prizes, and information on all the exciting benefits NACNS offers. You won’t want to miss this opportunity to learn about the only professional society dedicated to clinical nurse specialists.

Concurrent Session B | 1:45pm – 3:00pm

B1 – Clinical Management Lecture
She’s Just Pregnant, Right? Impact of Chronic Diseases on Nursing Care
Kathleen Mahoney
Robert Wood Johnson University Hospital

B2 - Symposium
Innovations in Practice: Getting to the Bottom-line Using Systematic Reviews for Clinical Decision Making
Lisa Hopp, Jane Walker & Mary Morrow
Purdue University Northwest

B3 – Improving CPR
Graduate Nurses in the Emergency Department Use Simulation to Practice Advanced Cardiac Life Support Skills
Denise Campbell & Donna Gunning
Beaumont Health

Do You Know the Quality of Your CPR? Utilizing Feedback to Improve CPR Quality
Cindy Ruiz
Northwest Community Hospital

Clinical Nurse Specialist Led interdisciplinary Post-Resuscitation Debriefing and Clinical Critique Process Focused on Enhancing Team Performance
Angela Larson¹, Jaime Thomas¹, Brenda Fay² & Rohit Patel²
¹UF Health Shands Hospital; ²University of Florida

B4 – Clinical Management Lecture
Pharmacological Management for Heart Failure and Reduced Ejection Fraction: Reducing Rehospitalization
Nancy Albert
Cleveland Clinic Health System
B5 – Innovations in Education
FaceTime Verbal Reports Enhance AGCNS Education
Glenda Joiner-Rogers & Carol Delville
The University of Texas at Austin School of Nursing

Science of Learning: Moving Beyond Discussion Forums to Enhance CNS Education
Kathleen Poindexter, Linda Hansen, Val Pfander & Rebecca Boni
Michigan State University

Advancing Professional Nursing Practice Using Nursing Peer Review: What It Is and What It Isn’t
Tracy Flynn Udeen & Jean Runquist
Essentia Health

B6 – Oncology Education
The Development of an Oncology CNS Internship
Allison De Villiers, Lynne Brophy, Lisa Blackburn & Danette Birkhimer
The Ohio State University James Cancer Hospital and Solove Research Institute

Building Your Own: How to Create New Oncology-focused Adult/Gero CNSs
Melissa Craft
University of Oklahoma Health Sciences Center Fran and Earl Ziegler College of Nursing

3rd Presentation Withdrawn

B7 – Incivility
Niceness is Priceless: Increasing Awareness of Incivility in a Neonatal Intensive Care Unit (NICU) Through a Comprehensive Interprofessional Education Program
Jerithea Tidwell¹, Mayra Garcia¹, Stephanie Allen¹, Kerrie Huval¹, Leigh Griffis¹, Jennifer Watts¹, Amy Selimos² & Kathy Speer¹
¹Children’s Health Children’s Medical Center Dallas; ²University of North Carolina

Med-Surg VICE: The CNS Collaborates to Address Patient-Visitor Violence on the Inpatient Unit
Dianna Copley & Catherine Skowronsky
Cleveland Clinic

Registered Nurses’ Lived Experiences of Peer to Peer Incivility in the Workplace
Susan Condie
West Coast University

B8 – Legislative/Regulatory Basic Session
Advancing CNS Advocacy, Part 1
Jennifer Colwill¹ & Brenda Moffitt²
¹Cleveland Clinic; ²Memorial Health Systems

3:00pm – 3:30pm  PM Break in Exhibit Hall

Concurrent Session C | 3:30pm – 4:45pm

C1 – Clinical Management Lecture
Medication Management to Support and Promote Breastfeeding – Pump and Dump is Not the Answer
Naomi Benjamin
Western Governor’s University

C2 – Symposium
It Takes a Village: Turning a Pilot Project into Part of the Culture
Dianna Copley, Shannon Rives & Jennifer Colwill
Cleveland Clinic

C3 – Clinical Management Lecture
Structural Heart Disease: Setting the Stage for Success
Brenda McCulloch
Sutter Medical Center, Sacramento

C4 – Mobility
“KEEP IT MOVING” and Remember to P.A.C. (Pharmacology, Ambulation, and Compression) for VTE Prevention
Kathleen Wilson¹, DawnMarie Devito¹ & Melissa Reynolds²
¹Robert Wood Johnson Barnabas Health; ²Robert Wood Johnson University Hospital

Early Progressive Mobility Impacting Patient Outcomes
Theresa Murray, Debbie Ferguson, Marianna Schneider, Erin Gill & Miranda Bailey
Community Health Network

An Interprofessional Journey to Increase Mobilization and Reduce Hospital Length of Stay
Mary Day & Jessica Borthwick
Reading Health System
C5 – Mentoring Students
Mentoring Madness: Encultuating and Sustaining Nurse Retention
Tanna Thomason
Sharp Memorial Hospital

Growing Staff Experts Through Innovative Clinical Education
Myrna Young & Suzanne Gregory
Robert Wood Johnson University Hospital

Using Telehealth to Connect and Support CNS Students and their Preceptors
Tina Haney & Carolyn Rutledge
Old Dominion University

C6 – Potpourri
Indication of Use for Patient Medications: Challenging the Status Quo
Amanda Nenaber & Kate Perica
University of Colorado Hospital

Decreasing Hospital Readmission and Increasing Patient Satisfaction through Post Discharge Telephone Calls
Sitha Dy, Maria Nicolas & Regina Davies
Hospital of the University of Pennsylvania

Faculty Walking The Talk - Experiencing the Benefits and Challenges of Plant-Based Nutrition
Joanne Evans
Healthy Nurses...Healthy Communities

C7 –Sleep
Rest and Recovery: A Patient Centered Approach to Improving Patient Sleep Quality
Raquel Branom
Ronald Reagan UCLA Medical Center

Reduction of Post-operative Respiratory Failure with Obstructive Sleep Apnea Screening and Management
Peggy Hollis
St. Mary’s Medical Center

Monitoring for Unintended, Opioid-Induced Sedation and Respiratory Depression: Comparison of Sedation Level, Exhaled EtCO2, and SpO2 in Patients Receiving Opioids for Acute Postoperative Pain Management
Susan Dempsey
Little Company of Mary – Torrance

C8 – Legislative/Regulatory Advanced Session
Advancing CNS Advocacy, Part 2
Susan Dresser¹ & Melanie Duffy²
¹University of Oklahoma School of Nursing; ²Holy Spirit – A Geisinger Affiliate

5:00pm – 6:00pm慢性疼痛/阿片类药物和研究优先级任务组

6:00pm – 7:00pm Opening Reception & Poster Session

Friday, March 10, 2017

7:00am – 5:00pm Registration

7:30am – 9:00am Breakfast in Exhibit Hall

7:30am – 8:30am CNS Statement Task Force Forum

8:40am – 9:10am CNS Institute Town Hall

9:15am – 10:30am General Session Speaker

10:30am – 11:00am AM Break in Exhibit Hall

Concurrent Session D | 11:00am – 12:15pm

D1 – Clinical Management Lecture
Clinical Nurse Specialist as Pain Management Consultant
Michael Urton
WakeMed Hospital

D2 - CAUTI
CAUTI Collaborative an Inter-Professional Approach to Striving for Zero
Mary Lawanson-Nichols¹, Raquel Branom² & Charlene Earnhardt²
¹UCLA Santa Monica Hospital; ²Ronald Reagan UCLA Medical Center

Catheter Associated Urinary Tract Infection (CAUTI): Implementation of a CAUTI Nurse Champion Foley Insertion Assessment Program to Improve CAUTI Rates
Autumn Gode
Allina Health

Improving Catheter Associated Urinary Tract Infection (CAUTI) Rates Through the Use of Simulation
Cynthia Russo & Erin Glospie
Robert Wood Johnson University Hospital Hamilton
D3 – Postpartum Risk Factors
Are There Holes in your Safety Net? Strategies for Reducing Maternal Morbidity and Mortality
Vivian Haughton
Penn Medicine/Lancaster General Health Women and Babies Hospital

It Takes a Village: A Clinical Nurse Specialist’s Involvement in Improving the Outcomes of Women Experiencing a Post-Partum Hemorrhage
Danette Schloeder
Providence Alaska Medical Center

Optimizing Obstetric Blood Product Administration A Process Improvement Strategy
Brittany Waggoner
Hendricks Regional Health

D4 – CNS Role II
Full Practice Authority: Impact for the CNS
Mary Thomas¹, Melissa Hutchinson² & Eve Broughton³
¹VA Palo Alto Health Care System; ²VA Puget Sound Healthcare System – Seattle; ³Southern Arizona VA Health Care System

The Clinical Nurse Specialist as an Advocate
Nancy Kaser & Meredith Lahl
Cleveland Clinic

Breaking Down Barriers: One Hospital’s Journey to Understanding and Recognizing the CNS Role
Jennifer Dorman & Sorophina Young
Maimonides Medical Center

D5 – Stroke Care & Prevention
CNS-Led Innovative Telemedicine Handoff from ED to Inpatient for Stroke Protocol Population
Mary Bilotta & Sarah Keller
Reading Health System

The Clock is Ticking: Innovative Stroke Care in a Primary Stroke Center
Jeannie Burnie, Maria Newsad & Randy Johann
Bethesda North Hospital, TriHealth

Standardizing Post-Operative Care Coordination for Carotid Endarterectomy Population
Suzanne Sawyer
The University of Tennessee Medical Center

D6 – Chronic Conditions
Self-Management of Dietary Intake Using Mindful Eating by Persons with Chronic Kidney Disease: Acceptability of the Intervention
Gayle M. Timmerman¹ & Muna J. Tahir²
¹The University of Texas at Austin, School of Nursing; ²The University of Texas at Austin, Department of Nutritional Sciences

Chronic Conditions and the Role of the Clinical Nurse Specialist
Lori Dambaugh
St. John Fisher College

Sweeten the Message: Creation of a Diabetes Management Committee and Diabetes Nurse Specialist Role
Rebecca Ramos & Stephanie Murray
Robert Wood Johnson University Hospital

12:30pm – 1:30pm Incoming President’s Luncheon

Concurrent Session E | 2:00pm – 3:15pm

E1 – Clinical Management Lecture
Managing Neurostorming in a Patient with a Severe Brain Injury
Julie Linder
Vidant Medical Center

E2 – Symposium
Conquering Change: Why CNSs are Pivotal in an Emerging Healthcare System
Elizabeth Duxbury, Julie Gottfried & Virginia Riggall
Rochester Regional Health
E3 – High Risk Pregnancy
Hypertension in Pregnancy: Preventing Maternal Morbidity through the Implementation of Evidence-Based Medication Protocols for Pregnant and Postpartum Women
Laura Senn
Sutter Medical Center Sacramento

Peripartum Cardiomyopathy: The Clinical Nurse Specialist Role in Optimizing Care for this Complex Population
Deborah Schafer
Pinnacle Health System

Special Delivery! Emergency Department Clinical Training for Precipitous Delivery
Kathleen Mahoney, Jen Chaiken & Tammy Leigh
Robert Wood Johnson University Hospital

E4 – Sepsis
When the Spheres of Influence Merge: Creating and Maintaining Quality Process Improvement for the Septic Patient Population
James DiAngelo
Piedmont Healthcare

Conquering Sepsis Through Interdisciplinary Collaboration
Laura Kitch & Mary Gerchman Smith
Essentia Health St. Mary’s Medical Center

The Impact of CNS Leadership in Planning a System-wide Change Process to Improve Sepsis Care and Outcomes
Linda Cason & Kristina Brown
Deaconess Hospital, Inc.

E5 – CNS Student Education
The Remote Clinical Nurse Specialist: Conquering Change from a Distance
Celeste Romp¹ & Mary June Cecil²
¹KentuckyOne Health; ²The Heart Hospital at Deaconess Gateway

CNS Orientation: A New Framework Emerges from Regional Collaboration
Margaret McNeill¹, Denise Moore³, Samantha Young³, Tania Randell³ & Anushree Ahluwalia⁴
¹Frederick Regional Health System; ²American Nurses Association; ³Johns Hopkins Hospital; ⁴Union Hospital of Cecil County

Interprofessional Collaboration, In-situ Simulation, and TeamSTEPPS: A Practice Improvement Initiative
Kathleen Poin Dexter¹, Gayle Louren s¹, Jennifer Thompson-Wood¹ & Jana Belisle²
¹Michigan State University; ²Metro Health

E6 – Patient Safety II
Improving Outcomes for High Risk Populations: A Stepwise Model to Follow in Creating Effective Electronic Health Record (EHR) Clinical Data Reports
Suzanne Purvis
University of Wisconsin Hospital and Clinics

Reducing Mislabeled and Unlabeled Specimens in Acuity Adaptable Units
Jennifer Kitchens¹, Esther Onuorah¹, Cammie Smith¹, Teresa Hazlett¹, Julie Arebun¹ & Janet Fulton²
¹Eskenazi Health; ²Indiana University School of Nursing

Interprofessional Transparency: Dissemination of Serious Safety Events
Tanna Thomason
Sharp Memorial Hospital

E7 – Emotional Well-Being
Exploring the Prevalence and Determinants of Moral Distress in Adult, Pediatric and Neonatal Intensive Care Unit Nurses, Compared to Medical/Surgical Nurses: A Comparative Descriptive Study
Peggy Kalowes
Long Beach Memorial Miller Children’s and Womens Hospital

Family Presence During Resusitation: A Comparative Qualitative Analysis of Physicians’ and Nurses’ Perceptions
Debra Siela¹, Renee Twibell¹, Alexis Neal², Cheryl Riwitis³ & Nicole Waters²
¹Ball State University School of Nursing; ²Ball Memorial Hospital Indiana University Health; ³Indiana University Health LifeLine
E8 – Clinical Management Lecture
NACNS Cost Analysis Toolkit—a Business Guide for the CNS
Anita White¹, Stacy Jepsen², Jerithea Tidwel³, Yvonne Dobbenga-Rhodes⁴, Deborah Messecar⁵ & Elissa Brown
¹Cleveland Clinic; ²Fairview Southdale Hospital; ³Children’s Medical Center-Dallas; ⁴Washington Hospital Healthcare System; ⁵Oregon Health & Science University
3:15pm – 3:45pm PM Break in Exhibit Hall

Concurrent Session F | 3:45pm - 5:00pm

F1 – Clinical Management Lecture
CNS Clinical Practice: Certification Exams that Reflect Change
Laura McNamara & JoAnne Konick-McMahon
American Association of Critical-Care Nurses

F2 — Symposium
The Role of the CNS in Preventing, Recognizing and Managing Malnutrition in the Adult Hospitalized Patient
Mary J. Waldo¹, Tracy B. Chamblee², Kelly Haight³, Melanie Horbal Shuster⁴, Susan H. Smith⁵ & Hea Yoon⁶
¹Providence Health & Services, Oregon Region; ²Children’s Health; ³Cleveland Clinic; ⁴Allegheny Health Network; ⁵Baylor University Medical Center; ⁶VAGLAHCS

F3 – Neonates/Infants
Preventing Newborn Readmissions for Hyperbilirubinemia
Rainey Martin
Community Health Network

Emergency Department/Neonatal Intensive Care Unit CNS Collaboration: Improving the Outcomes of Critically-Ill Infants Across the Continuum
Lori Brittingham & Mary Bilotta
Reading Health System

Keep the Baby Pink
Lisa Laws & Kathleen Mahoney
Robert Wood Johnson University Hospital

F4 – Innovations in Education II
Developing the Next Generation: Professional Writing Workshop and the Impact on Professional Development
Melissa Kavanagh & Sitha Dy
Hospital of the University of Pennsylvania

“Older Adults Awareness Olympics: Providing Gold Standard Care to our Geriatric Patients”
Donna Prete
Robert Wood Johnson University Hospital

Building Cultural Sensitivity and Interprofessional Collaboration Through a Study Abroad Experience
Irene Gilliland
University of the Incarnate Word

F5 – Pain Management
Taking the Bite Out of Pain: Innovative Bundling of Interventions to Enhance Pain Care Quality
Karen Rice, Margaret Redmond & Julie Castex
Ochsner Health System

Conquering Change in Pain Assessment in Critical Care: Comparative Study of Two Pain Assessment Tools in Nonverbal Critical Care Patients Who Cannot Self Report
Kathy Connor, Darice Hawkins & Peggy Kalowes
Long Beach Memorial Miller Children’s and Women’s Hospital

Carnivals are Fun...Pain is Not: An Innovative Approach to Pain Management Education
Sandia Royal & Dawn Marie Devito
Robert Wood Johnson University Hospital

F6 - Rounding
Improving Patient Outcomes in the MICU Through the Implementation of CNS Collaborative Interdisciplinary Rounding
Abbie Purney, Allison Andersen & Diane Knapp
University Medical Center of Southern Nevada

Simulation: A Clinical Nurse Specialist Strategy to Improve Registered Bedside Shift Report
Kimberly Elgin¹ & Rebecca Poston²
¹University of Virginia Health System; ²Old Dominion University

Interprofessional Collaborative Assessment Rounding and Evaluation (ICARE)
Rosiland Harris, Terri Summers, Lily Gunter & Pamela Gordon
Grady Health System
F7 – Cost Reductions
Achieving the Triple Aim-Decreasing Use of Inappropriate Telemetry Monitoring
Marylynn Hippe
St. Luke’s Health System

Increased Nurse Empowerment While Saving Millions in Healthcare Costs
Marian Soat & Nancy Kaser
Cleveland Clinic

Framework for Change: The Impact of the CNS on the Value Acceleration Process
Pamela Sapp¹ & Rita Richardson²
¹Emory University Orthopaedics and Spine Hospital; ²Emory University Hospital Midtown

F8 – Care Transitions
CNS Collaboration Across the Care Continuum Megan Hoffman & Margaret Wagnerowski
Moffitt Cancer Center

Assessment and Re-assessment of Psychiatric Patients Boarded in the Emergency Department: The Impact of Compliance with Best Practice Standards on Patient Outcomes
Jacquelyn Byrd
WellStar Atlanta Medical Center - South Campus

Medication Management of Memory Disorders
Sara McCumber
The College of St. Scholastica and Essentia Health Neurology

5:15pm – 6:15pm NACNS Annual Business Meeting

Saturday, March 11, 2017

7:30am – 11:30am Registration
8:00am – 9:00am Breakfast in Exhibit Hall
8:00am – 9:00am Affiliate Breakfast Meeting
8:00am – 9:00am Malnutrition Task Force Forum

Concurrent Session G | 9:15am – 10:30am

G1 – Symposium
Population Health Management: CNS’s Embrace the Opportunity to Manage the Unique Challenges of Disease-specific Populations
Pamela Garrett, Susan Gaunt & Nadirah Burgess
Gwinnett Medical Center

G2 - Symposium
Calling 911 to Reduce Hospital Acquired Conditions; Changing Culture Using the CNS as Clinical Outcomes Project Specialists (COPS)
Ludmila Santiago-Rotchford, Angeline Dewey, Jessica Taylor & Susan Conley
Bayhealth Medical Center

G3 – Technology in Care
“Check-In Process” for transitioning Home Ambulatory Infusion Pumps to Hospital Pumps with Inotropes and Pulmonary Hypertension Medications
Laura Wentworth & Jen Ferrier
Mayo Clinic

Remote Presence Video Telerounding to Improve Cardiac Patient Satisfaction and to Expedite Discharge
Ginger Pierson
West Coast University/University of San Diego

Level of Care Considerations Review; Demystifying the Fish(bone) Tales!
Nicole Huntley, Barbara Wenger, Robin Scott & Shannon Johnson-Bortolotto
University of Colorado Hospital

G4 – Child Health
Pediatric Vascular Access Peripheral IV Algorithm and First Attempt Success Rate
Jane Hartman, John Baker, Nancy Albert & James Bena
Cleveland Clinic

Adult CNS Meets Child Life: What to do for Child Visitors in the Adult ICU!
Myra Cook
Cleveland Clinic

CNS Partnerships in Complex Transitions: Conjoined Craniopagus Twins from Pediatric to Adult Care Facilities
Linda Hoke
Hospital of the University of Pennsylvania
G5 – Cardiac Health
Don't Miss a Beat: Creating a Multi-campus Basic Arrhythmia Course at an Academic Medical Center  
Suzanne Gregory, Oriana Calo, Erin Glospie, Claudie Pagani & Cheryl Prall  
Robert Wood Johnson University Hospital

A CNS Lead Inter-Professional Team Approach to Reduce Length of Stay for Patients after a Myocardial Infarction  
Susan Fuhrman  
Froedtert and the Medical College of Wisconsin

It's Sex and More: Improving Outcomes for Partners of Patients with ICDs or LVADs  
Mitzi Saunders  
University of Detroit Mercy

G6 – Lines & Tubes
Improving Patient Outcomes with the Use of Electromagnetic Placement Device for Small Bore Feeding Tube Placement in the ICU Setting  
Mary Ann David  
Sharp Chula Vista Medical Center

Homerun! Improved Patient Safety and Outcomes While Reduced Costs; Changing Practice Around Feeding Tube Placement Using Electromagnetic Technology  
Stacy Jepsen  
Abbott Northwestern Hospital

Nurse and Physician Collaboration in Utilizing Ultrasound Guided IV Placement in the Emergency Department  
Denise Campbell & Amit Bahl  
Beaumont Health

G7 – Transitional Care
The Perfect Fit: Clinical Nurse Specialist (CNS) and Care Transitions  
Mary Schmidt & Paula O’Hearn Ulch  
Aurora Health Care

Frailty Assessment and Targeted Interventions to Improve Discharge Outcomes in Elderly Hospitalized Patients  
Christine Cutugno  
Hunter-Bellevue School of Nursing

End-of-Life Care Transitions in an Academic Medical Center: Contributions of the Palliative Care Clinical Nurse Specialist  
Susan Barbour  
UCSF Medical Center

G8 – Critical Care Concepts
An Innovative Approach to Providing Critical Care in the Emergency Department: Nursing’s Journey to Deliver Care in an ED-Based ICU  
Renee Havey, Cassandra Aebersold & Sarah Hauser  
The University of Michigan Health System

Think Inside the Box! Facilitating Early Interventions for Extravasation with Evidence-Based Kits in a Critical Access Hospital  
Gaila Palo¹ & Line Goulet²  
¹WhidbeyHealth Medical Center; ²WhidbeyHealth Medical Ambulatory Clinic

Mary Lough  
Stanford Health Care

10:30am – 11:00am  Break

11:00am – 12:00pm  Closing General Session  
Speaker
Poster Presentations

1 - Assessing Pain in the Cognitively Impaired Patient: Implementation of the Pain Assessment in Advanced Dementia (PAINAD) Scale
Jessica Smith & Dolores Morrison
Einstein Medical Center Philadelphia

2 - Care Transition: The Care of the ICU Patient in an IMC Care Model
Angela Larson¹, Angela Cofino¹, Lilia Febre-Viere² & Carly Mitchell¹
¹UF Health Shands Hospital; ²Malcom Randall VA Medical Center

3 - Establishing an Inactive Affiliate to Advocate for Clinical Nurse Specialist Practice
Angela Larson¹ & Megan Hoffman²
¹UF Health Shands Hospital; ²Moffitt Cancer Center

4 - Mission Impossible: Achieving Zero CAUTIs in the Neuromonitering Care Unit Using a Patient-Centered, Interdisciplinary Team Approach
Angela Larson¹, Jeannette Hester², Karen Perrin¹ & Brenda Fahy²
¹UF Health Shands Hospital; ²University of Florida

5 - Staff Description of Acuity Adaptable Care Model
Jennifer Kitchens¹, Janet Fulton² & Lenora Maze¹
¹Eskenazi Health; ²Indiana University School of Nursing

6 - Sepsis: Spreading Best Practices Across a Variety of Transitions
Brandee Wornhoff
Hendricks Regional Health

7 - Care Transitions: Management of People with Coexisting Chronic Heart Failure and Diabetes
Angela Clark & Heather Cuevas
The University of Texas at Austin

8 - Don’t Forget To Look! A Perioperative Skin Assessment Initiative
Denise Gerhab, Irene Sudah, Kimberly McKeveit & Cynthia Douyon-Marconi
RWJ Barnabas Health System/Somerset Campus

9 - Working Together: A CNS-CNS Student Network Fall Injury Reduction Initiative
Charlene Griffin & Ruth Marcus
Einstein Healthcare Network

10 - FRAIM your Falls: Original Research, Development and Implementation
Kerista Hansell & Rainey Martin
Community Health Network

11 - Bundles, Innovation, Cost of Care and Marketing
Kerista Hansell
Community Health Network

12 - Oral Care Adherence for Prevention of Oral Mucositis: A Patients’ Perspective
Ashley Mickiewicz
RWJ Barnabas

13 - A CNS-Led Team to Reduce Inappropriate Utilization of Safety Companions
Denise Lyons
Christian Care System

14 - Withdrawn

15 - Hospital Acquired Pneumonia-The Clinical Nurse Specialist Role in Patient and Cost Outcomes
Donna Bond
Carilion Clinic

16 - Implementing Guided Self-Determination (GSD) Intervention in a Vulnerable Population of Patients with Diabetes Type 1 & 2: Evaluating Feasibility and Efficacy
Loice Ongwela¹ & Patricia Ebright
¹Stanford Health Care

17 - Conquering Positive Change for People Living with Human Immunodeficiency Virus: The Link Between Social Support Systems and Medication Compliance
Kelly Strickland
Auburn University School of Nursing

18 - Reflections on New Clinical Nurse Specialist Transition into Practice
Jennifer Bath, Cynthia Ward & Amy Lucas
Carilion Clinic Roanoke Memorial Hospital

19 - The CNS Educator: An Innovative Approach in Academia & Healthcare
Victoria Hays
Providence Health & Services

20 - Welcoming New Grads into the ED: Making a Smooth Transition
Elizabeth Russer & Anthony Filippelli
Robert Wood Johnson University Hospital
21 - Usability of an Evidence Based Breastfeeding Education Tool for Maternal Newborn RNs
Jacquelyn Cline
U.S. Military

22 - Building An Academic/Practice Partnership To Bridge The Educational Gap For Population Health
Lorraine Brown, Barbara Carlstrom & LuAnn Rowland
St. Joseph’s College

23 - Chemotherapy Administration. A Safer Approach to Training New Nurses
Lorraine Mack
Northwestern Medicine- West Region

24 - Wound/Ostomy Resource Reboot
Kimberly McKevitt & Denise Gerhab
RWJBarnabas Health System-Somerset Campus

25 - Stepping It Up: Utilizing TeamStepps Training to Increase Staff’s Overall Work Unit Patient Safety Rating
Erin Glospie & Cynthia Russo
Robert Wood Johnson University Hospital Hamilton

26 - Teaching Adult-Gerontology Clinical Nurse Specialist Roles Using Quality Improvement Projects
Carol Delville & Glenda Joiner-Rogers
The University of Texas at Austin School of Nursing

27 - Navigating a Successful Institutional Change in Sepsis Care: The CNS Role in Improving Patient Outcomes
Melissa Lee & Mary Sullivan
University of California San Francisco Medical Center

28 - Fall Management in a Mixed Neuroscience Unit: The Predictive Ability of the Morse Fall Scale
Bridget Webster & Jayme Strauss
Baptist Hospital of Miami

29 - Reduction of Healthcare Acquired Pressure Injuries from Tracheostomy Sites through Nurse-Physician Collaboration
Julie Linder¹ & Michael Bard¹,²
¹Vidant Medical Center; ²East Carolina University

30 - Leading by Design: A CNS-led Program to Address Failure to Rescue on Medical/Surgical Units
Kathleen Burns
Cleveland Clinic Medina Hospital

31 - CNS Orientation Program: Core Competencies and Spheres of Influence
Nicole Roehrig & Joya Pickett
Swedish Medical Center

32 - Commit to Sit: Sitting at the Bedside Can Improve Patient Satisfaction
Sarah Wadsworth
University of Pennsylvania Health System

33 - The Effectiveness of Clean versus Sterile Technique on Blood Culture Contamination Rates: A Quantitative Systematic Review
Mathilde Kubic¹ & Diane Hawley²
¹Duke University Hospital; ²Texas Christian University

34 - Transforming Pediatric Pressure Injury Outcomes Using a Skin Champion Model Program and Clinical Nurse Specialist Leadership
Rebekah Barrette
Children’s Hospital of Wisconsin

35 - An Innovative Multi-departmental Approach to Increasing Colorectal Cancer Screening Rates
Ana Bedon¹, Joaquin Estrada², Jequeatta Smith¹, Andrew Albert, Blake Meyer¹ & Melanie Jumanan¹
¹Advocate Illinois Masonic Medical Center; ²Advocate Medical Group

36 - Employing Best Practice to Optimize Pediatric Analgesia and Sedation in the Mechanically Ventilated Patient
Tammy Uhl
Duke University Medical Center

37 - Improving Inpatient Hypoglycemia Management
Drina Nemes & Sharon Watts
Louis Stokes Cleveland VA Medical Center

38 - From Research to Practice: Implementing AWHONN’s Maternal Fetal Triage Index
Aisha Kendrick, Jennie Sierra, Araceli Ruiz & Stacey Borelli
University of Chicago Medicine

39 - A CNS Initiative to Ensure Patient Safety and Compliance with Home Phototherapy
Carol Giomuso
Louis Stokes Cleveland VA Medical Center

NACNS has secured a discounted rate of $199 per night, plus applicable taxes for meeting attendees. Attendees are responsible for making their own hotel reservations. The special NACNS rate will be offered until February 6, 2017 or until the group block is sold-out, whichever comes first. The discounted rate includes complimentary internet in the room.

The special rate will apply 3 days before and 3 days after the meeting dates, based upon availability at the time of booking. NACNS cannot guarantee rooms after this date or outside the conference dates. Reservations made after February 6, 2017 will be accepted on a first-come, first-served basis at the nearest available rate, and based on availability. Please make your hotel reservations directly with the Loews Atlanta online through the reservations link above or by calling 1-800-815-6397. Be sure you reference ‘NACNS’ as the group name to take advantage of the group rate.

Travel Information

Hartsfield-Jackson Atlanta International Airport (ATL)
Distance to hotel - 13 miles, Drive time to Hotel - 20 minutes

This hotel does not provide shuttle service.
