

## **Pediatric Clinical Nurse Specialist The Rehabilitation Institute of Chicago**

The Rehabilitation Institute of Chicago (RIC) is the nation's leading provider of comprehensive physical medicine and rehabilitation care to patients from around the world. Founded in 1953, RIC has been designated the "No. 1 Rehabilitation Hospital in America" by *U.S. News & World Report* every year since 1991. RIC sets the standard of care in the post-acute market through its innovative applied research and discovery programs, particularly in the areas of neuroscience, bionic medicine, musculoskeletal medicine and technology transfer.

### **We are currently seeking a Pediatric Clinical Nurse Specialist for the Inpatient Pediatric Unit at the flagship hospital located in downtown Chicago.**

The CNS functions within the five roles of clinical practice, consultation, education, research and leadership to ensure the delivery of evidence based quality patient care and impacts the quality of patient care through participation and implementation of care standards. The CNS compliments activities in the Nursing Division through clinical, educational, consultative and research roles and guides nursing staff in the management of complex physical and/or psychosocial needs of patients.

#### Knowledge, Skills & Abilities Required:

- Completion of a Masters in Nursing, Clinical Nurse Specialist focus.
- Current Illinois license.
- 3 years pediatric nursing experience in a hospital setting in order to provide input into establishing and implementing appropriate standards of care.

RIC provides a competitive compensation and benefits package including Medical, Dental, Vision, 401(k), Paid Time Off and much more!

**If you enjoy working in a dynamic environment and are looking for an opportunity to become part of a stellar team of professionals, we invite you to visit our careers website at <http://riccareers.silkroad.com/> and apply today or call 312-238-6294!**

The Shirley Ryan AbilityLab — RIC's new, state-of-the-art research hospital, will open in March 2017. For more information, go to [www.ric.org](http://www.ric.org).
