# General Conference

## Thursday, March 7, 2019

- 9:00 to 10:00 am     **Keynote** – Being a Catalyst for Change: The Role of Leadership
- 10:30 to 11:45 am     **Thursday Morning C**  
Clinical Management Lecture – Geriatrics  
Symposium – Joints and Orthopedic Issues  
Podium Presentations - System Change  
Podium Presentations – Overcoming Challenges  
Podium Presentations – Dissemination  
Podium Presentations – Alarms  
Podium Presentations – Nurse Sphere - Development  
Workshop – PICOT
- 1:45 to 3:00 pm     **Thursday Afternoon D**  
Clinical Management Lecture – Palliative Care & COPD  
Podium Presentations – Education  
Podium Presentations – Rehabilitation  
Symposium – Catalyst for Change  
Podium Presentations - Best Practices  
Podium Presentations - Future  
**\*\* Workshop: Advanced Neuro Assessment for the Practicing CNS**  
Panel Discussion – A Conversation with the Editors
- 3:30 to 4:45 pm     **Thursday Afternoon E**  
Clinical Management Lecture Nonventilator Hospital-Acquired Pneumonia: A  
CNS-Sensitive Outcome  
Workshop – Workshop: Enteral Feeding Tubes - Placement and Management  
Podium Presentations – Spreading the Word  
Podium Presentations – Medications  
Podium Presentations – CNS Students  
Podium Presentations – System Change  
Podium Presentations – Prediction
- 5:00 to 6:00 pm     Forum – All Aboard - Leadership Development Through Board Service

# General Conference

Friday, March 8, 2019

- 9:00 to 10:15 am      **Keynote** – The Future of CNS Care: Embracing Change
- 11:00 to 12:15 pm      **Friday Morning F**  
Podium Presentations – Quality Improvement - Injury Prevention  
Podium Presentations – Infection Control Sepsis  
Podium Presentations – Education Issues  
Symposium – Clinical Data and Knowledge  
Podium Presentations – Leadership and Collaboration  
Podium Presentations – Quality Improvement - Oncology
- 2:00 to 3:15 pm      **Friday Afternoon G**  
Podium Presentations – Skills - Rapid Extubating & Ultrasound IV Insertion  
Podium Presentations – Process & Policy  
Podium Presentations – Care – SAFE, Animal Assisted, & Intact Patient  
Symposium – Research  
Workshop (Part A) – CNS Practice: "Setting up Shop"  
Podium Presentations – Infection Control - Sepsis II  
Podium Presentations – Change
- 3:45 to 5:00 pm      **Friday Afternoon H**  
Podium Presentations – Influence  
Clinical Management Lecture – Hypertension  
Podium Presentations – Infection Part II  
Podium Presentations – Pediatrics  
Workshop (Part B) – So, You Want to Develop Your Innovative Idea into a  
Business Proposal  
Podium Presentations – Neuro-Stroke  
Clinical Management Lecture – Bacteremia and Harm  
Symposium – Dialysis and EHR

## General Conference

### Saturday, March 9, 2019

9:15 to 10:30 am

#### **Saturday Morning J**

Clinical Management Lecture – Multidrug Resistance

Podium Presentations – Promoting Health

Podium Presentations – Making Improvements

Podium Presentations – Surgical

Podium Presentations – Tools for Change

Podium Presentations – Teams

Podium Presentations – Technology

11:00 to 12:00 pm

**Keynote** – Turning the Tide on Incivility: Be a Catalyst for Change
