

CNSI Fellowship Induction Dinner Sponsorship Opportunities

The Clinical Nurse Specialist Institute (CNSI), founded in 2016 as an arm of the National Association of Clinical Nurse Specialists (NACNS), serves to develop and promote the charitable, educational, innovative clinical practice and scientific purposes of NACNS. To enhance the vision and visibility of CNSs, the CNSI created the Fellowship Program, the first class of which will be inducted at the Fellowship Induction Dinner on March 8, 2019, taking place at the NACNS Annual Meeting in Orlando, FL at the Renaissance Orlando SeaWorld.

We welcome sponsors who would like to support this event to honor and acknowledge the outstanding contributions and leadership of this inaugural class of nurse leaders. As fellows of the CNSI, these expert CNSs will continue to promote the role of the CNS and assist with developing opportunities to enhance the visibility and contribution the CNS role brings to health care.

Each level of sponsorship support provides you with targeted branding and an advertisement allows you to congratulate members of our inaugural class of CNS fellows! In addition, you can receive unique recognition on slides, signage and on the printed program, for the CNSI Fellowship Induction Dinner (anticipated attendance of 150 individuals), as well as recognition in materials for the NACNS 2019 Annual Conference.

Additional benefits for each sponsorship level are as follows:
