

Adding Items to your Registration

Sign into your account at <https://nacns.org/>

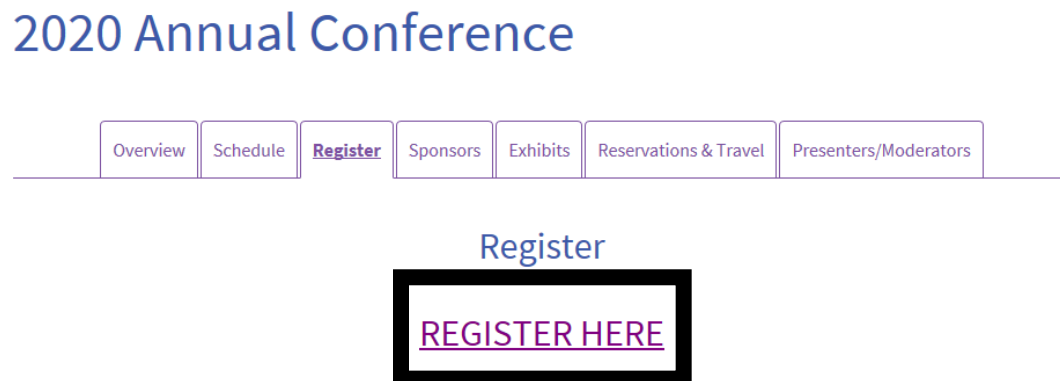

Go to News and Events – Annual Conference

Click on the Register tab

Click Register Here

You should now see your initial registration options. This will look the same as the original screen that you registered on. You can change your answers to the registration questions and hit the Update Responses button

You can also select any conference add-ons by clicking the Add button to the left of any event
