Dear Deborah,

On behalf of the Board of Directors of the Oncology Nursing Society (ONS), it gives me great pleasure to inform you that you have been selected to receive the '**2023 ONS Lifetime Achievement Award**'. Your decades of contributions to the oncology nursing profession and to ONS are extraordinary.

You will be recognized as the recipient of this honor during the Opening Ceremony of the annual ONS Congress which is to be held April 26-30, 2023 in San Antonio, TX. Your receipt of this award will also be publicized through numerous press releases and will be featured on the ONS website (www.ons.org).

Once again, congratulations! We look forward to celebrating with you at Congress in San Antonio when we formally and collectively recognize your many impressive accomplishments.
